DETAILED ACTION

Allowable Subject Matter

1. Claims 1-6 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter:

Regarding claim 1, the prior art of record does not show a multilayer brush composed chiefly of copper and graphite, the brush consists essentially of two types of brushes, a high-copper-content part brush containing the copper in a large quantity and a low-copper-content part brush containing the copper in a small quantity, wherein; at least the high-copper-content part brush contains zinc in the optimum range from 0.1% by weight to 5% by weight to increase durability and performance of the brush.

Regarding claim 6, the prior art of record does not show a multilayer brush composed chiefly of copper solid and graphite material, which consists essentially two type of brushes: a high-copper-content part brush containing the copper in a large quantity and a low copper content part brush containing the copper in a small quantity with the experimental performance data listed in the claim.

Conclusion

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hanh N Nguyen whose telephone number is (571) 272-2031. The examiner can normally be reached on Monday through Friday.

Art Unit: 2834
